NOTICE and  
Objection

Notice

1. I, Edward Thomas Kennedy am one of the (older) people of Pennsylvania and hereby Notices the Court that Kennedy took an oath in a church of God at his Investiture in 2008 to relieve all human suffering, and he has never violated that oath. Kennedy is also an ordained (Eastern Rite) Roman Catholic who also took an optional oath to live a simple aesthetic life as an act in memory of the loss of a loved one, and he is only temporarily poor. However, the (optional) poverty oath is now ended for Kennedy has stopped grieving.

2. Kennedy's lawful title of nobility under the church and international law is Chevallier Reverend.

3. Kennedy is also trained by the Vatican through his Sacred Medical Order to be a Medical Missionary, Sanctified Healer and Diplomat.<sup>1</sup>

4. Edward Thomas Kennedy in this court of record Objects to the Order entered on

<sup>1</sup> FRCP rule 902 evidence here: <http://smoch.org/nepal.php>, bottom picture right right is Kennedy serving the universal church as a Diplomat.

01/25/19 for it is my wish and it probably violates the Investiture oath of the assigned Judge.

5. Kennedy is damaged and injured by the defendants, seeks compensation for injures and damages for the defendants exceeded their jurisdiction in loss of rights.

6. It is now divine right time, and Kennedy wishes a new Judge to appear to administrate his case and obey his INVESTITURE OATH and oath of office.

7. Kennedy accepts the oath of office of the Judge assigned to administrate this case, and binds him to it, and has no argument with newly appointed, US Judge Chad F. Kenney.

8. Kennedy believes Mark A. Kearney, a Judge in this district, may be in contempt of court, and probably violated his Investiture oath and oath of office.

9. Kennedy will not object if Mark A Kearney Chooses to honor his fiduciary duty to Kennedy.

Date: January 31, 2019.
